<PARSED TEXT FOR PAGE: 1 / 38> WINLOO CONTRACTING CO. BUSINESS PROFILE www.winloogroup.com
Vendor Code 10112847 <PARSED TEXT FOR PAGE: 2 / 38> About Us 02 | WWW.WINLOOGROUP.COM WINLOO CONTRACTING COMPANY LLP Founded in 2017 in Kerala, India, our company has steadily grown into a leading name in the construction and infrastructure sector. Headquartered in Inchakkal, Trivandrum, we have built our reputation on reliability, precision, and uncompromising quality. Over the years, we have successfully delivered key projects such as the Adani Vizhinjam Port Project, several National Highway developments across Kerala, and significant bridge construction works in Kollam, each reflecting our commitment to engineering excellence and timely execution. <PARSED TEXT FOR PAGE: 3 / 38> 03 | WWW.WINLOOGROUP.COM WINLOO CONTRACTING COMPANY LLP In addition to civil and infrastructure works, we possess strong expertise in steel erection, piping, and civil works. Our ability to integrate structural precision with advanced piping systems has positioned us as a trusted partner for complex industrial and infrastructure developments. Backed by a workforce of 500+ skilled professionals and an extensive fleet of modern machinery, we have the capacity to execute projects of varying scale and technical complexity. Expanding our vision beyond India, in 2023 we established our branch in Saudi Arabia, further strengthening our international presence. This strategic expansion allows us to bring our proven capabilities in steel erection, piping, and civil works to one of the region's most dynamic markets. By leveraging our expertise and resources, we are now delivering high-value engineering solutions to clients across the Kingdom, contributing to its ambitious infrastructure and industrial growth. As we continue to grow, we remain dedicated to upholding the principles of quality, safety, and sustainability. Our mission is not only to build lasting structures but also to create enduring value for our clients and communities, while striving to become a benchmark for excellence in the construction and engineering industry <PARSED TEXT FOR PAGE: 4 / 38> Mission 04 | WWW.WINLOOGROUP.COM WINLOO CONTRACTING COMPANY LLP To deliver superior construction and engineering services with an relentless commitment to quality, safety, and customer satisfaction, contributing to the development of infrastructure across Saudi Arabia. <PARSED TEXT FOR PAGE: 5 / 38> Vision 05 | WWW.WINLOOGROUP.COM WINLOO CONTRACTING COMPANY LLP To be recognized as one of the most trusted and innovative contracting companies in the region, setting new benchmarks in structural excellence and sustainable construction practices. <PARSED TEXT FOR PAGE: 6 / 38> Multiple years of proven experience across the Kingdom of Saudi Arabia End-to-end project handling from design to completion Skilled workforce & experienced engineers ISO compliant quality and safety systems Timely project delivery and transparent processes Strong portfolio of diverse and challenging projects Dedicated client support and post project assistance Why Winloo Group ? 06 | WWW.WINLOOGROUP.COM WINLOO CONTRACTING COMPANY LLP <PARSED TEXT FOR PAGE: 7 / 38> CORE VALUES Integrity & Excellence 07 | WWW.WINLOOGROUP.COM We uphold transparency and honesty in every project and relationship. We strive for perfection in design, execution, and delivery. Safety & Sustainability We prioritize the safety of our workforce, clients, and the community. We promote eco-friendly practices and long-term resilience in all our projects. Innovation We continuously adopt modern technologies and practices. Client Focus Our client's success is our success; we deliver tailored solutions that add value. WINLOO CONTRACTING COMPANY LLP <PARSED TEXT FOR PAGE: 8 / 38> Our Expertise At Winloo Contracting Company, our expertise is built on a foundation of precision, professionalism, and over two decades of hands-on experience across the Kingdom of Saudi Arabia. We specialize in delivering a wide spectrum of engineering and construction solutions, including steel structure fabrication, erection, PEB installations, civil works, infrastructure development, and ongoing maintenance services. Every project we undertake reflects our deep industry knowledge, commitment to quality, and ability to execute complex works with utmost safety and efficiency. Our multidisciplinary capabilities ensure that we can support clients across various sectors with tailor-made solutions that meet their technical, operational, and timeline requirements. 08 | WWW.WINLOOGROUP.COM WINLOO

Steel Structure and Fabrication AtWinloo Contracting Company,we specializeinhigh-precision steel structure fabrication, leveragingour experienceofindustryexcellence across the Kingdom of Saudi Arabia. Everyprojectbeginswitha deep understanding of structural requirements, followedbydetailed engineering and design. We utilize advanced CNC machinery and certified welding techniques to fabricate beams, columns, trusses, and other structural components with extreme accuracy. Our team follows stringent quality control measures, including non destructive testing and dimensional checks, ensuring each element adheres to international standards. Whether it s for industrial, commercial, or custom applications, our in-house expertise guarantees that the fabrication process is completed with perfection, safety, and durability in mind. We consistently deliver structures that are robust, efficient, and built to last. 09 | WWW.WINLOOGROUP.COM <PARSED TEXT FOR PAGE: 10 / 38> Winloo Contracting Company

offers turnkey steel erection and installation services with the highest levels of safety and efficiency. We ve successfully executed numerous projects across KSA, working in diverse environments and under challenging timelines. Our erection process involves careful planning, heavy lifting coordination, alignment accuracy, and bolting/welding as per structural blueprints. Our experienced rigging teams ensure that every steel component is erected with stability and precision. We strictly adhere to OSHA and local safety guidelines to minimize risk and downtime. From warehouses to multi-story buildings, our proven track record in steel erection has made us a preferred contractor in the region. We commit to delivering flawless installations that stand the test of time. 2. Steel Erection and Installation 10 | WWW.WINLOOGROUP.COM WINLOOCONTRACTING COMPANY LLP <PARSED TEXT FOR PAGE: 11 / 38> WINLOO CONTRACTING COMPANY LLP 3. Pre-Structured Steel Buildings (PEBs) Winloo

Contracting Companyhas establisheditself asamarketleader indeliveringPre-EngineeredSteel Buildings (PEBs) tailored to meetthe exact requirements of our clients. With over multiple years of delivering successful PEB solutions across KSA, we design, fabricate, and install custom steel structures that offer superior strength, cost-efficiency, and faster completion. Every component, from primary framing to wall cladding, is prefabricated with precision to minimize on-site work. Our deep expertise in structural design allows us to deliver flexible and scalable solutions, suitable for warehouses, factories, showrooms, and more. We use cutting-edge software for structural analysis, ensuring compliance with international building codes and local climate conditions. Winloo s PEBs are known for their quality, reliability, and low maintenance. 11 | WWW.WINLOOGROUP.COM <PARSED TEXT FOR PAGE: 12 / 38> 4. Pipe Racks Ourpipe rack solutions are engineered foroptimal performance in industrial and petrochemical environmentsacross KSA. Winloo Contracting Company has consistently delivered structurally sound and load-bearing pipe racks for refineries, plants, and utility facilities. We consider every technical aspect pipe weight, thermal expansion, seismic impact, and ease of maintenance during the design phase. Each rack is fabricated with corrosion resistant materials and installed with precision for seamless integration into existing infrastructure. Our teams follow strict safety and quality standards, ensuring no disruption to ongoing operations. For many years, we ve been the trusted choice for pipe rack fabrication and installation, providing systems that are reliable, durable, and tailored to industry specific demands. 12 | WWW.WINLOOGROUP.COM

WINLOO CONTRACTING COMPANY LLP <PARSED TEXT FOR PAGE: 13 / 38> WINLOO CONTRACTING COMPANY LLP 5. Equipment Support Structures We atWinloo understand thatindustrialequipment requiresrobust, vibration-resistant support systems. Ourequipmentsupport structures are designed and built to hold heavy machinery, HVAC units, and other load intensive installations with absolute stability. With extensive experience across diverse sectors in KSA, we integrate structural engineering principles with field practicality. Our designs allow for accessibility, vibration control, and future scalability. Every structure is fabricated under controlled environments and erected by skilled professionals using advanced methods. We prioritize safety, durability, and compliance, ensuring every structure performs under operational stresses without compromise. 13 | WWW.WINLOOGROUP.COM <PARSED TEXT FOR

PAGE: 14 / 38> 6. PEB Buildings Installation WinlooContracting Companyoffers comprehensivePEBinstallation services, ensuringtimely andflawless execution acrossallregions of KSA. From unloading and stagingto erectionand finishing,ourprocess is guided by technical excellence and project management best practices. We maintain detailed installation checklists, quality control protocols, and safety measures throughout every phase. Our skilled workforce, backed by years of experience, ensures that every bolt, panel, and joint is secured with perfection. With minimal disruption to surrounding operations and a strong commitment to timelines, our installations uphold the values of quality, integrity, and precision. 14 | WWW.WINLOOGROUP.COM WINLOOCONTRACTING COMPANY LLP <PARSED TEXT FOR PAGE: 15 / 38> 7. Civil and Infrastructure Works Withmultiple yearsoffield expertise, Winloo ContractingCompanyhas successfully delivereda widerange ofcivil and infrastructure projects across KSA. Ourservices coversite preparation, excavation, concrete works, road construction, drainage systems, and utility installations. We use modern surveying equipment and project management tools to maintain alignment with client requirements and regulatory standards. Whether it's a greenfield development or infrastructure upgrade, our experienced engineers and site teams execute every project with a focus on safety, quality, and timely delivery. Our infrastructure works contribute to long-term development and client satisfaction across the region. 15 | WWW.WINLOOGROUP.COM WINLOO CONTRACTING COMPANY LLP <PARSED TEXT FOR PAGE: 16 / 38> 8. Maintenance WPreventoive arndkcorrsectivemaintenance are key services offered by Winloo to extend the lifespan of industrial and commercial facilities. We provide scheduled inspections, wear-and-tear assessments, component replacements, and emergency response support. Our maintenance solutions are backed by skilled technicians and engineers who understand every detail of structural systems. From multiple years, we have been maintaining facilities with zero compromise on quality or safety. Whether it's structural steel, PEBs, or mechanical systems, our team ensures your operations continue smoothly, minimizing downtime and maximizing efficiency. 16 | WWW.WINLOOGROUP.COM WINLOOCONTRACTING COMPANY LLP <PARSED TEXT FOR PAGE: 17 / 38> WINLOO CONTRACTING COMPANY LLP 9. Parking Shade Construction WinlooContracting Company excels in deliveringaestheticallypleasing andhighly functional parking shade structures across KSA. Ourcustom designed solutions consider wind load, sun orientation, and space optimization, making them ideal for residential, commercial, and industrial parking lots. We offer a range of materials, from steel frames to tensile fabric roofs, all installed with superior workmanship and finish. Our shades are engineered for durability and visual appeal, reflecting our commitment to excellence in every detail. With a track record of successfully completed shade projects throughout the Kingdom, we continue to set benchmarks in quality and client satisfaction. 17 | WWW.WINLOOGROUP.COM <PARSED TEXT FOR PAGE: 18 / 38> Equipment & Resources Winloo Contracting Company is equipped with anextensive fleet of modern machinery and equipment, includingcranes, welding machines, hydraulic lifts, concrete mixers,and heavy duty transport vehicles. Our fabrication workshopsare fitted with the latest CNC and cutting machines. Our resource pool includes certified engineers, skilled laborers, QA/QC personnel, safety officers, and project managers all working cohesively to ensure seamless project execution. 18 | WWW.WINLOOGROUP.COM WINLOO CONTRACTING COMPANY LLP <PARSED TEXT FOR PAGE: 19 / 38> OurIndustry Presence Commercial Buildings Petrochemical Warehousing & Logistics Government & Infrastructure Manufacturing & Industrial Oil Gas Power Energy Retail Hospita lity Automotive & Dealerships Aviation & Transportation Healthcare Facilities Education & Institutional Food Processing Plants 19 | WWW.WINLOOGROUP.COM WINLOO CONTRACTINGCOMPANYLLP <PARSED TEXT FOR PAGE: 20 / 38> ENGAGEMENT PORTFOLIO 20 | WWW.WINLOOGROUP.COM WINLOO CONTRACTING COMPANY LLP <PARSED TEXT FOR PAGE: 21 / 38> 21 | WWW.WINLOOGROUP.COM WINLOO CONTRACTING COMPANY LLP <PARSED TEXT FOR PAGE: 22 / 38> 22 | WWW.WINLOOGROUP.COM WINLOO CONTRACTING COMPANY LLP <PARSED TEXT FOR PAGE: 23 / 38> 23 | WWW.WINLOOGROUP.COM WINLOO CONTRACTING COMPANY LLP <PARSED TEXT FOR PAGE: 24 / 38> 24 | WWW.WINLOOGROUP.COM WINLOO CONTRACTING COMPANY LLP <PARSED TEXT FOR PAGE: 25 / 38> 25 | WWW.WINLOOGROUP.COM WINLOO CONTRACTING COMPANY LLP <PARSED TEXT FOR PAGE: 26 / 38> 26 |
